

## Las Vegas hotels, Cendyn win dismissal of 'relatively novel' algorithmic price-fixing case

8 May 2024 | 23:19 GMT | **Official Statement**

MLex Summary: MGM Resorts, Caesars Entertainment, other Las Vegas hotels hotels and Cendyn Group were granted dismissal with prejudice of price-fixing claims brought by a putative class of hotel patron in a Nevada federal court. "This case remains a relatively novel antitrust theory premised on algorithmic pricing going in search of factual allegations that could support it," US District Judge Miranda Du said in an order dismissing the plaintiffs' first amended complaint.
